Supervisor Haas calls meeting to order

Councilman James Hanson on speaker phone lost connection so not for the entire discussion.  
Representative Jim Clark from the Laberge Group to discuss building the new Highway Garage  
Question and answer session.

Councilman Bosch discuss the duties of the Building Superintendent, the pay, the signing in and out and all duties of the job. They also discuss the garbage on Tuesday and Thursday going for drugs test to Partners and Safety.

MOTION BY Councilman Hallock to appoint Ken Anderson to the Deputy Building Superintendent at \$15.00 per hour with a six-month probation period. seconded by Councilman Bosch discussion motion carried all ayes

Supervisor Haas has invested \$1.3 million dollars in two CDs one in Highway Fund and one in General fund in the Jeff Bank. The rate isn't great only did it for 31 days. Hopefully the rates will change and do it again in April and get a better rate but the money is invested. As Financial Officer Supervisor Haas can do the financial transfers just wanted the board to know that he could do the transfers.

Dave the CEO Discuss the update on Hotel on Airport Rd there was a compromise they have to get the people out and come up with a plan by July 26<sup>th</sup>,2017 that's court order. Councilman Hallock is that the whole property? The story is that they are going to renovate it and make it into a seasonal resort or boarding house. Councilman Hallock states it cannot be a boarding house (depending when he applies).

Councilman Bosch was discussing with Supervisor Hass about the gravel in the back of the Town Shop Supervisor Hass said he was under impression that we sold the gravel. Councilman Bosch look at the tax map there is 289.8 feet to the road we have 200 feet left will check in Monticello.

Recess Meeting to Wed. March 29,2017 @ 7: 00 pm

Respectively submitted

Alice Foster

Deputy Town Clerk
